Chemical Dispensing Made Easy

Dilution Solution Dispensing System with Cabinet

The newly designed Maintex Dilution Solution System offers a sturdy Dilution Solution Cabinet and a Portable Dispensing Unit. The Dilution Solution Cabinet offers a simple design with half-gallon size containers for quick and easy use. Each product is heat sealed for your protection and contains a tip in bottle design for accurate dilutions. Dilution Solution features 27 different concentrated products, including 4 Disinfectants, 5 Safer Choice and 5 Green Seal formulations. These products were designed to meet all your cleaning needs delivering value priced ready-to-use chemicals.

Dilution Solution Cabinet

Item #: MX-DS

Features:

Safety:

- Tamper Proof containers & cabinet
- Locking cabinet with selector dial for safety
- Color coded & Numbered products for easy training and view
- Built-in backflow preventer

Product Performance:

- Concentrated products for difficult cleaning tasks
- Accurate dilutions for effective cleaning

Flexible:

- Range of products to meet your needs
- Available with Cabinet or Portable Dispensing options

Portable On-The-Go Dispensing

PortaFill Dispensing System

Designed to be safe, ergonomic, transportable and easy to use. The Maintex portable dispensing system is designed with the end user in mind. The PortaFill system reduces the need to fill at the supply closet and takes the dispensing system with the user. The Maintex portable dispensing system is the answer to "on the go" dispensing needs and for compact cleaning supply closets.
